THE parish of Danby has been so well described by the late Vicar, the Rev. Dr. J. C. Atkinson, in his most interesting volume, *Forty Years in a Moorland Parish*, that it is unnecessary to say more about it here.

The Register commences in 1585. The first volume contains the marriages and burials at Danby from that date to the end of 1749, and the baptisms to the end of 1727, when there is a gap of seven years. They recommence in 1734, and terminate at the end of 1741. In the same volume are also to be found the baptisms conducted at Glaisdale from 1672 to 1727, which, from the latter date to the end of 1749, it has been possible to continue here, the information being supplied, chiefly, from scraps of paper which are kept in the Register Book.

The second volume commences in 1750, and contains the Danby baptisms and burials to the end of 1783, and the Glaisdale baptisms to 1758. The Danby marriages are continued only as far as 1754, after which date they are to be found in two registers, printed specially according to Act of Parliament. The first of these terminates in 1794, and the second in 1812. The baptisms and burials are continued in a third (fifth?) volume from 1784 to 1812.

The Society is indebted to Mr. J. B. Walker, of Bagdale, Whitby, for transcribing the Register, vol. i, which was revised by the editor, who is also responsible for copying the remainder of this issue. Thanks are due to the Rev. George Bird, Vicar of Danby, for permitting the Register to be copied for, and printed by, the Society.

About the 12th of March 1775 died Wm. Featherstone the old Parish Clerk. A mighty bustle had been made in the Parish some time before his Decease, who should succeed him. Some said the right of Nomination belonged to the Minr., some to the Parish, and one Thos. Dove who had querk'd the old man out of his Licence, & got into his place, said it belonged to him. However he proved mistaken and dissappointed also. For I gave the nominatⁿ to Geo. Hoggart and he was immediately licensed thereon the other losing his place.

Yorkshire Parish Register Society.

REPORT FOR 1911.

THE Council of the Yorkshire Parish Register Society have the pleasure to present their Thirteenth Annual Report. The number of members on the roll at the end of the year is 197, a decrease of 5 compared with 1910.

During the year the Registers of Halifax (Part I), Settrington, Austerfield, and Cowthorpe were issued to the members for 1910; and the Register of Thornhill (Part I) to the members for 1911. The index of Holy Trinity, Goodramgate, York, is in the hands of the printer, and the Register, which is much larger than was expected, will be issued shortly for 1911. The Register of Thirsk (Part I), also for 1911, is well advanced, but will not be ready for some months.

For 1912, Danby is printed off as far as the index. Halifax (Part II) and Otley (Part II) are in the hands of the printer.

It is intended that the publications for 1913 shall be the Registers of Kildwick (Part I), Howden (Part IV), and Darrington.

In addition to the Registers before mentioned, Garforth Register will be issued to the members for 1913, and Harewood Register to the members for 1914. The former is presented by Mr. G. D. Lumb, and the latter by Mr. William Brigg, both members of the Council. Further presentations will be warmly welcomed by the Council.

The Registers of Aberford, Church Fenton, Crofton, Emley, Featherstone, Halsham, Hook, Hornby, Keighley, Kirkby Ravensworth, Saxton, Sowerby near Thirsk, Wakefield, etc, either have been or are being copied. Donations have been promised towards the printing of Aberford, Ackworth, Batley, Crayke, Dewsbury, Easingwold, Ecclesfield, Husthwaite, Kildwick, Keighley, Scarborough, and Snaith.

Representations have recently been made to his Grace the Lord Archbishop of York respecting the inaccessibility of the transcripts in his Grace's Registry, and the fees hitherto charged for transcribing them.

The Council are pleased to state that the present Registrar has promised to make a reduction in the case of Registers intended to be printed by the Society.

In other Registries the transcripts are arranged in parishes, and the Council are of opinion that that plan might be adopted with advantage at York, instead of the present one of unarranged yearly bundles of very large size.

The Council regret that the Society has lost the following members by death during the year:—Mr. F. Bacon Frank and Sir Francis S. Powell, Bart.

The continued decrease in membership is much to be regretted, and the Council hope that every member will bear in mind that it is to the common advantage that more subscribers should be obtained.

RULES.

1 That the name of the Society shall be "THE YORKSHIRE PARISH REGISTER SOCIETY," and the Society shall have for its objects the transcribing and printing of the Parish Registers in the County of York, and such Bishops' Transcripts as may be accessible.

2 That the affairs of the Society shall be governed by a Council, consisting of a President, two Secretaries, and a Treasurer, with not exceeding twelve other members.

3 That the officers and one-third of the members of the Council shall retire annually, but shall be eligible for re-election.

4 That three members of the Council shall form a quorum.

5 That the subscription of members of the Society shall be One Guinea per annum, which shall entitle them to the publications for the year; but the name of any member whose subscription shall be two years in arrear shall thereupon be removed from the Society, and shall not be re-admitted until all arrears have been paid. New members may be elected by either the Council or the Society.

6 That the subscription shall be due on the First of January in each year, and that no work shall be issued to any member whose subscription is in arrear.

7 That an Annual Meeting of the Society shall be held in the month of February in each year, of which at least seven days' notice shall be sent to all the members. At this meeting a report of the work of the Society, with a statement of the income and expenditure, shall be presented. These shall be annually published, together with a List of Members and the Rules of the Society.

8 That so long as the funds of the Society permit, three volumes at least shall be issued to the members in each year.

9 That copies of the publications of the Society shall be supplied to members only.

10 That no payment shall be made to any person for editing any work for the Society, but that the Editor of each volume shall be entitled to ten copies of the work so edited by him, and the Incumbent to two copies for the use of the parish.

11 That the Council may require any Transcript to be examined by them before publication.

12 That each volume of Registers published shall have a full index of both Christian and Surnames and of Places.

13 That the Treasurer's accounts shall be audited by a member of the Society, who shall be elected at a meeting of the members.

14 That no alteration shall be made in any of the above rules except at the Annual Meeting. Notice of any proposed alteration must be sent to the Hon. Secretaries a month before such Annual Meeting, and by them communicated to the members.
